Childcare/Public Law Lawyers and Paralegals

Description

We are looking to expand our team due to a growth in quality work, and are interested in hearing from experienced paralegals as well as consultant lawyers. We have a growing caseload of care proceedings and child protection work as well as private children work and domestic abuse work, and good links to charities, and agencies for referrals.

An interest in undertaking your own advocacy is an advantage.

Flexible terms on offer within a supportive and friendly team.

Job Benefits

We [launched in September 2018](#) and are looking to expand our innovative and [busy South Oxfordshire practice](#). In 2019 we were shortlisted as [Family Law firm of the Year](#) – South, and ranked in Chambers & Partners and the Legal 500.

Characterful but modern, high profile offices in good location but also good systems in place to ensure remote working – being well used at the moment!
